EXPERIENCE

Freelance Logo Animation Designer 2017
Helped my professor and his studio to animate
logo for new Brown University department,
Brown Art Institute. The goal was to create a
strong identity system for newly formed Brown
department, and my job was to make their logo
ideas stronger and more solid by adding capti-
vating motions and sounds to them.

APCO Worldwide 2016
Worked as a creative intern at APCO NY office.
APCO is a global communications consultancy,
my role was to help the teams to visualize their
creative ideas, through various media such as
videos, motion graphics, photos, infographics,
mock-ups, presentations, etc.

RISD KSA 2016 – present
As a designer, focused on distinct KSA identity
by designing a whole new identity system to
capture people's attention and make them
curious through various publicity. KSA members
are trying to revive the pending club and make
Korean culture more accessible to anyone.

Lab Monitor 2017
Monitored the lab and the photo studio while
helping students with technical problems and
book binding.

Textiles Courses 2014 – 2015
Took several major courses, including fibers
and dye, surface design, knitting machine, etc.,
from RISD Textiles department.
